Here's The November Outlook For Your Area

Much like October, temperatures are likely to be several degrees above average in the nation's Heartland this November.

Record Snowfall Prompts Early Winter Wonderland

Reykjavik saw record-breaking snow this week as a snowstorm piled up more than 15 inches. The Icelandic capital was transformed into a winter wonderland. Watch this video for the most peaceful scene you'll see all day.

7 – La page « Member Settings - Manage Devices » apparaît.

Cliquez sur le bouton "Add New Device" :

The screenshot shows the Weather Underground website's Member Settings section. At the top, there's a navigation bar with links like Sensor Network, Maps & Radar, Severe Weather, News & Blogs, Mobile Apps, and More. Below the navigation is a row of weather cards for various locations: Popular Cities (San Francisco, CA), Manhattan, NY, Schiller Park, IL (60176), Boston, MA, Houston, TX, and Charing Cross, England. A search bar labeled 'Search Locations' and a gear icon are also present. A blue banner at the top of the main content area says, 'We're building a brand-new Weather Underground – be among the first to check it out!' An 'X' icon is in the top right corner of this banner. The main content area has a title 'Member Settings' and a sub-section 'Manage Devices'. It displays a message '0 DEVICES TOTAL' and 'No devices to show'. Below this, there's a paragraph about the global community of environmental sensors and a 'Learn More' button. In the top right corner of the 'Manage Devices' section, there's a blue button labeled 'Add New Device'. A large red arrow points upwards towards this button.

9 – Dans le cadre intitulé « Personal Weather Station » (au centre de la page), cliquez sur la case "Select device hardware" :

The screenshot shows the 'Add a New Station' configuration page. At the top, there's a 'Popular Cities' dropdown and a 'Search Locations' bar with a magnifying glass icon. Below that is a 'My Profile' section with a progress bar at 25%.

The main area has two tabs: 'TYPE' (selected) and 'Select a Device'. Under 'TYPE', there's a list of weather station models. A blue highlight bar is positioned over the 'other' option in the list. Below the list is a dropdown menu labeled 'Select device hardware' with a downward arrow icon, and a 'Next' button.

At the bottom left is a 'Cancel' button.

The screenshot shows the footer of the WeatherUnderground website. It contains three columns of links:

- Our Apps**: About Us, Contact, Careers
- PWS Network**: WunderMap, Feedback & Support
- Terms of Use**: Privacy Policy, Accessibility Statement, AdChoices ▾, Data Vendors

Below the footer is a small circular icon with a play button symbol.

A footer note reads: "We recognize our responsibility to use data and technology for good. We may use or share your"

Dans le menu déroulant, sélectionnez « other » (tout en bas de la liste).

10 – Une fois « other » affiché, cliquez sur le bouton « Next » :

The screenshot shows the Weather Underground website interface. At the top, there's a navigation bar with links for Sensor Network, Maps & Radar, Severe Weather, News & Blogs, Mobile Apps, and More. On the right side of the top bar is a "My Profile" link. Below the navigation bar, there's a row of weather icons and forecasts for various locations: Popular Cities (San Francisco, CA: 16 °C Cloudy), Manhattan, NY (9 °C Clear), Schiller Park, IL (60176) (4 °C Partly Cloudy), Boston, MA (8 °C Clear), Houston, TX (12 °C Clear), and Charing Cross, Engl (15 °C Partly Cloudy). To the right of these icons is a "Search Locations" input field and a gear icon.

The main content area has a title "Add a New Device" and a tab navigation bar with four tabs: TYPE (which is selected and highlighted in blue), LOCATION, DETAILS, and DONE. Below the tabs, the text "Select a Device Type" is displayed. A progress bar at the bottom of this section shows a green segment followed by a grey segment, with the text "25%" indicating completion.

In the center of the page, there's a modal window titled "Personal Weather Station". Inside the modal, there's an icon of a weather station and a dropdown menu set to "other". To the right of the dropdown is a blue "Next" button. A large red arrow points from the text "Click here" in the previous step to the "Next" button in this modal. Below the modal is a "Cancel" button.

At the bottom of the page, there's a footer with links to "Our Apps", "PWS Network", "Terms of Use", "About Us", "WunderMap", "Privacy Policy", "Contact", "Feedback & Support", "Accessibility Statement", "Careers", "AdChoices", and "Data Vendors". There's also a small "Help" icon and a "We recognize our responsibility to use data and technology for good. We may use or share your" disclaimer.

13 – Une nouvelle page s'affiche. Celle-ci s'intitule « Registration Complete ! » :

Screenshot of the Weather Underground website showing the "Add a New PWS" registration process completed.

The top navigation bar includes links for Sensor Network, Maps & Radar, Severe Weather, News & Blogs, Mobile Apps, More, and My Profile. Below the navigation is a row of weather icons for various locations: Popular Cities (San Francisco, CA), Manhattan, NY, Schiller Park, IL (60176), Boston, MA, Houston, TX, and Charing Cross, Engl. The current temperature and condition are listed for each.

The main content area shows the "Add a New PWS" form with tabs for TYPE, LOCATION, DETAILS, and DONE (which is selected). A green progress bar at the bottom indicates "100%".

A message says "Registration Complete!" above the progress bar.

The text "Congratulations! Your personal weather station is now registered with Weather Underground." is displayed in green.

Instructions say "Enter the information below to your weather station software." followed by "Your PWS" details:

- Station ID: **IMAZAU3**
- Station Key: **TUSLGCFK**

A "Copy credentials" button is present next to the Station ID and Station Key fields.

To the right, there is an illustration of a computer monitor displaying a weather map, with hands on a keyboard and mouse below it. The text "Configure Your Software" is written below the illustration.

A "View Devices" button is located at the bottom left of the main content area.

The footer contains links for Our Apps, PWS Network, Terms of Use, About Us, WunderMap, Privacy Policy, Contact, Feedback & Support, and Accessibility Statement.

Votre station météo est désormais enregistrée sur le site.

Vous obtenez deux codes :

- > Un numéro "Station ID"
- > Un numéro "Station Key"

ATTENTION : Notez précieusement ces deux codes. Vous en aurez besoin plus tard dans la procédure de paramétrage WiFi.

14 – Vous pouvez ensuite cliquer sur le bouton "View Devices". Le site affiche alors la page dédiée à votre station météo :
